Call for the reports of the Committees, which were read as follows.

#### **Report on Baptist Literature.**

We your Committee on Baptist Literature report as follows: We recommend first of all the Bible; we think that we as Baptists have made some progress in the studying of God's word. And we recommend that each individual member of our Baptist churches study the word of God for themselves. We recommend the reading of some good Baptist papers. We recognize the fact that there are false doctrines taught in our land, and we recommend that our ministers study such literature as will give them the best information of such doctrines; and then by the prayerful study of God's word be able to confute such false doctrines.

J. E. SUMMERS, Chairman.

Report received and spoken to by Dr. A. V. Rowe, J. E. Summers and the following amendment was offered and attached: We recommend the Baptist Record, Jackson, Miss.; the Foreign Mission Journal, Richmond, Va.; The Home Field, Atlanta, Ga., and the Orphans' Gem, Jackson, Miss. And further discussed by Eld. J. F. Benson, Eld. W. H. Hamilton, L. M. Taylor, S. T. Graham and adopted as amended.

#### **Report on Sunday Schools.**

We your Committee on Sunday Schools beg to re-

port: We find from reading the letters from the various churches that there has been a great interest aroused along this line as most of the churches report having a Sunday School. Let us ever push forward this great work, and may it ever be our earnest endeavor to plant the truths of God's word in the minds of the rising generation. Respectfully submitted.

J. W. DAVIS, Chairman.

Read and spoken to by Eld. J. W. Davis, J. E. Summers, W. D. Page, Dr. A. V. Rowe, W. O. Stockton and S. T. Graham and adopted.

Recess taken for preaching and refreshments.

The preaching service was introduced by prayer, led by Dr. A. V. Rowe. Acts 10:1-8 was read for a lesson. The 1st and 2nd verses were used as a text for a discourse long to be remembered by the audience present, as it was instructive and powerful. Closing prayer led by Eld. I. N. Penick.

After refreshments, which were bountifully prepared, the congregation re-assembled by singing, followed by prayer led by Eld. W. D. Page. Then the business was taken up.

Called for the report on Missions, which was made a special order of business for this hour..

#### Report on Missions.

We your Committee on Missions submit the following: Since the Lord has said: "Go ye into all the world and preach the gospel to every creature," it is our imperative duty to obey; and since "there is none other name under heaven given among men whereby we must be saved," it is absolutely necessary that Christ be preached as the only way, the truth and the life, if the lost are to be saved; for "faith cometh by hearing, and hearing by the word of God."

And furthermore, "how shall they believe in him of whom they have never heard? and how shall they hear without a preacher? and how shall they preach except they be sent?"

May God help us as churches and individuals of this Association, this coming year, to do our best in furthering the kingdom of our Master for we are taught that "it pleased God by the foolishness of preaching to save them that believe." Respectfully submitted.

M. L. LENNON, Chairman.

Report received and discussed by Dr. A. V. Rowe and Eld. I. N. Penick and adopted.

### Report on Education.

We your Committee on Education submit the following report: The crying demand of this age is education, and it behooves every father and mother to give their children the best advantages possible along this line, so that their children may be the better prepared for the duties and battles of life. They should not only seek the development of the physical and mental powers but the heart as well. Therefore we recommend and urge parents to send their children to one of our great denominational schools where they may receive religious training as well as literary knowledge, and nowhere can this be given so acceptably as in our denominational schools. Not only do we urge the better training of the youth of our country but more especially do we insist upon the better training of our young ministers upon whom the solemn duties of proclaiming the Word are placed; for a call to the ministry is a call to preparation and must not be overlooked or the cause will suffer.

First and above all, give us God-called and Spirit-called and Spirit-qualified men, and in addition to these add a sharp and well trained intellect, and the Word of God will be effectually handled under the guidance of the Spirit.

M. L. LENNON, Chairman.

Received and ably discussed by Drs. I. N. Penick and A. V. Rowe and adopted.

The Devotional Committee report that Eld. A. M. Harris preach tonight and Eld. M. L. Lennon Tuesday at 11 o'clock.

On motion, adjournment was taken to 8 o'clock Tuesday morning.

### MONDAY NIGHT.

The choir sang some good songs, followed by prayer led by Eld. J. A. Conwell. Then Eph. 2:1-12 was read as a lesson. Prayer led by Eld. A. M. Harris followed by an excellent sermon, which was delivered on the theme "Grace," based on Eph. 2:8, 9.

## TUESDAY MORNING.

An excellent talk was made by Eld. W. D. Page, followed by prayer led by Eld. J. F. Benson.

On motion Eld. R. T. Senter was appointed Moderator pro tem., as the Moderator could not get in at this hour. The call for reports was continued as follows:

**Report on Sacred Music.**

We your Committee on Sacred Music ask to report as follows: Sacred music we do earnestly believe is truly a part of the worship of God; that when children of God sing with the spirit and understanding that Heaven itself is with us and there rings forth from such music praise and honor to God and exhortation to all, inasmuch that God does graciously smile upon us. Lo, when we are done singing praises on this earth to God, then we will bid all goodbye, and go to Heaven and with our voices tuned with the heavenly choir we will praise him perfectly forever. Respectfully submitted.

J. C. GRAHAM, Chairman.

Report received and spoken to by Eld. J. F. Benson, and adopted.

**Report on Orphans' Home.**

We your Committee on Orphans Home submit the following: Inasmuch as the great Head of the church has impressed the Baptists of Mississippi with this method of erecting and maintaining an Orphans' Home for the care and maintenance of the weak and helpless, we believe it to be our duty to aid in this great work, and we earnestly recommend and urge that the churches of this Association contribute of their means and share in the support of this institution. Respectfully submitted.

J. A. CONWELL, Chairman.

Report received and spoken to by S. T. Graham and adopted.

**Report on Temperance.**

We your Committee on Temperance beg to make the following report: We think that it is the only way that man can live and do the will of our Master, that as

He requires us to be temperate, in all things. We realize that there is a great deal of trouble in our country by being intemperate. So let us as a great people of God do all we can to show to the world that we are temperate in all our ways, and that we aid the officers of our State and country in executing the laws of our land. Let us walk temperately and show to the world we are servants of God. W. D. PAGE, Chairman.

Report received and discussed by W. D. Page, M. L. Lennon, J. F. Benson, S. T. Graham, J. D. Wallace and A. G. W. Byram.

On motion of A. G. W. Byram, that carried, that the Clerk of our Association write a resolution urging the representatives in the United States Congress to support and do all they can for the passage of the bill now before Congress to prohibit the shipping of intoxicating liquors into prohibition territory. Said resolution to be to all the representatives from Mississippi through our representative, Hon. E. S. Candler.

The resolution prepared is as follows:

To the Representatives in Congress from Mississippi:

The Tombigbee Baptist Association in its annual session at Golden, Miss., Oct. 22, 1912, passed the following resolution:

"Whereas, realizing that intoxicating liquor is the matchless evil, and we are powerless to stop the excessive use of it as a beverage so long as the laws of the United States allow it to be shipped into our State. Therefore, be it resolved, that we, through our representative, Hon. E. S. Candler, ask and urge all the representatives in Congress from Mississippi to do all in their power for the passage of the bill now pending before that body prohibiting the shipping of intoxicating liquors into prohibition territory."

#### Report on Church Discipline.

Brethren, we believe in a strict discipline, and a cleaning up in our churches. We believe the discipline laid down in the New Testament to be a sufficient guide for our regulation if strictly carried out. We further insist that our churches carry these instructions out. Somebody is asleep. Wake up, there is a work for every one to do. Respectfully submitted.

J. D. WALLACE, Chairman.

Report received and discussed by S. T. Graham, W. D. Page, W. O. Stockton, A. M. Harris and adopted.

### Report on Ministerial Support.

Your Committee reports that we believe the support of the ministry is not what it should be. We believe when God impresses a man to preach His gospel, setting his salary at a living, and he does the preaching, the laity should see that his living is provided.

We further believe that the Lord does not do things by halves and the call is for full time, and if he is provided with the salary laid down in His book, much more would be accomplished in His name. Somebody is to blame. Who is it? J. M. HARRISON, Chairman.

Report received and adopted.

### Report on Destitution.

We your Committee on Destitution make the following report: We find a destitution at Evening Shade Schoolhouse, four miles southwest of Red Bay, Ala.; most of the Fourth Supervisor's District in Itawamba County; also at Sulphur Springs in Fifth District; also at Mineral Springs in Tishomingo County; and in the fork of Cedar and Bear Creeks, known as Forest Grove.

M. L. PARKER, Chairman.

### Report on Obituaries.

Your Committee on Obituaries report, that according to the letters from the various churches, we find the deaths in our bounds are as follows:

BETHLEHEM—Bro. M. C. Hill. UNION GROVE—Sister Viola Cantrell. LIBERTY GROVE—Sister Manda Summerford. SALEM—Bro. S. A. Roberts. PLEASANT GROVE—Bro. Ira Prestridge and Sister Louisa Wallace. BETHANY—Bro. W. H. Mark and Sister Lillie Graham. HOPEWELL—Bro. I. B. Conwell. BETH-EL—Sister Betsie Holcomb. MT. MORIAH—Bro. G. W. Cook. JACKSON'S CAMP—Sister Katie Trim and Bro. Jas. L. Trim. MT. PLEASANT—Sister Janette Works and Bro. Stephen Senter.

We find last year we only lost eight members by death and this year fifteen. Death being abroad in the

land and claims for its victims the old and young, prepared and unprepared. Not knowing when the summons will be executed on us, we trust all may be ready for the summons when it comes. Grieve not for these as for those who have no hope. Submitted.

W. H. HAMILTON, Chairman.

### Report on Nominations.

Robinson to preach the introductory sermon; Eld. G. A. Senter, alternate. Eld. J. A. Conwell to preach the missionary sermon, Sunday at 11 o'clock; Eld. J. F. Benson, alternate. Respectfully submitted.
